The **Cherry County Veterans' Memorial Committee** is planning a memorial to honor Veterans serving from the conclusion of WWII to the conclusion of Vietnam. Dates of service included in the Korean and Vietnam Era Memorial are **January 1, 1947 to May 7, 1975**. We are trying to ensure appropriate inclusion of all Veterans serving during these Eras, regardless whether they were ever deployed to foreign soil. The willing service to our country is to be commended.

If you are aware of a veteran(s) from Cherry County Nebraska or North into the Cherry County trade area in Southern South Dakota, please complete the form below naming the veteran along with the appropriate information. If you don't know the information, please send what you know. A donation of \$20 is suggested to defray the costs of the memorial but is not mandatory. All donations are welcome and are tax deductible. Checks should be made payable to:

American Legion Post 90 CCVMC.

Donations for the privately funded memorials can be sent to the address above or given to committee members:
